

<u>What is a CASH ADVANCE Transaction?</u> A Cash Advance is funds advanced to a student to pay for expenses as they incur so that the use of personal funds is not necessary. All <u>students receiving cash advances</u> <u>are</u> responsible for completing the transaction. There are two types of cash advances.

<u>A Cash Advance for expenses related to your event.</u> Most of the time, decorations, food, and supplies are the most common uses of these funds. These cash advances are generally under \$400.00. If over this amount additional documentation may be requested.

<u>A Travel Cash Advance</u> is when your organization is going away on a conference, trip or event. These cash advances are usually over \$400.00 and require documentation which substantiates the request. Hotel, Airline, Rental Car Estimates, etc. are required when submitting Cash Advance Travel over \$400.00.

Final step: RECONCILIATION

Within 30 days of picking up your cash receipt check you must take necessary steps to reconcile your cash advance at the SABO office.

Reconciling your cash advance is done at the SABO window

In order to do this you must have the reconciliation form, receipts and left over funds to return to your organizations account.

Make sure all receipts and unused funds are with you to complete the transaction.

List and attach each <u>receipt</u> to the Cash Advance Reconciliation SLIP (if you have numerous receipts of the same item such as gasoline) you can add all of the gas receipts together as one line item. Once all of your receipts are listed be sure you have an itemized receipt for each item. Add up your receipts and put this number on the <u>Total Receipts</u> line.

The next line <u>Advance Amount</u> is the amount of the check you received. This has been put on your Reconciliation Slip by the SABO system.

Please see below for an example of a completed Reconciliation Slip.
